

AVAO® BOD CROLL FAST C71CFA

Comfortable harness for rope access

NEW 2013

X-shaped dorsal construction

CROLL ventral rope clamp

Reinforced semi-rigid waistbelt

Leg loops equipped with FAST automatic buckles

Integrated CROLL ventral rope clamp. The shoulder-strap/waistbelt connector is equipped with a captive bar to inhibit connector rotation.

Shoulder straps with self-locking DoubleBack buckles for easier harness adjustment.

Two attachment points allow a PODIUM seat to be attached, for greater comfort during prolonged suspension.

- Integrated CROLL ventral rope clamp for ascending ropes
- The X-shaped dorsal construction wraps to reduce pressure points during prolonged suspension
- Wide, semi-rigid waistbelt and leg loops for excellent support. They are contoured and lined with breathable perforated foam for maximum comfort when suspended
- Foam shoulder straps are widely spaced to reduce neck chafing. When the waistbelt is weighted, they help distribute the load over the shoulders
- Waistbelt and shoulder straps equipped with self-locking DoubleBack buckles for quick and easy adjustment

- Leg loops equipped with FAST automatic buckles for quick and easy opening and closing without the need to readjust them, even while wearing gloves
- A ventral attachment point that distributes the load between the waistbelt and the leg loops during suspended work
- Two lateral attachment points transfer the load to the waistbelt for comfort when working with feet supported. They can be flipped back against the waistbelt when snagging is an issue
- Sternal and dorsal attachment point for connecting a fall arrest system

- In case of a fall on the dorsal attachment point, the weight is taken up on the leg loops, allowing the user to remain suspended longer while awaiting rescue
- Rear attachment point on the waistbelt for connecting a restraint lanyard
- Five pre-shaped equipment loops with protective sheath
- Slots for CARITool tool holder
- Slots for TOOLBAG tool pouch
- Hooking points for installing a PODIUM seat for use in prolonged suspension

Discover all the possibilities of the AVAO harness at www.petzl.com/AVAO.

The international versions of the NAVAHO range, compliant with the ANSI Z359.1 certification, are still available.
